Enzeit Technik

Ground mounted system

# ENZEIT MATCH GM 2V EW

CONCRETE MOUNTED

RAMMED IN

**Mounting type**

rammed in, concrete mounted

**Number of supports**

double support, 3 mm thick

**Material**

steel with anti-corrosion coating

**Tilt angle**

15°

**Warranty**

10 years

**Module layout**

vertical

**Module height**

1700-2300 mm

**Module width**

1134 mm

**Orientation**

east-west

**Standards**

EN 1090-1:2009+A1:2011
EN 1090-4:2018
EN 10346:2015

Welcome to the world of Enzeit Technik, where innovation meets precision, and fresh perspectives are transformed into unique projects. We create solutions for professionals drawing on the rich experience of the GTV group.

Our production facility is certified under TÜV Rheinland Factory Production Control (FPC), covering EN 1090 standards (parts 1-5). This ensures full control over the manufacturing process and product quality.
