

GTV Stolmet sp. z o.o.
street address ul. Wincentego Pola 6, 12-100 Szczytno, Poland

2527 – CPR – 1A.641.00

EN 1090-1:2009+A1:2011

Freestanding, ground-mounted system designed to
mount photovoltaic modules in 3 rows in vertical
orientation

Dimensional tolerances : EN 1090-2:2018+A1:2024 Class 1

Weldability: NPD

Fracture toughness: NPD

Load bearing capacity: Project 12.02.2025 Enzeit Prime
GM 3V

Reaction to fire: classified materials, class A1

Cadmium release: NPD

Radioactivity: NPD

Durability: Continuously hot-dip coated steel flat
product according to EN 10346:2015; details -
specification PS002v0

Structural characteristics:

Project: Project 12.02.2025 Enzeit Prime GM 3V

Execution: Execution class EXC 2 according to
EN 1090-2:2018+A1:2024 and specification PS002v0
